Commercial Customers	\$5.63/Month

*** PCAC**
(Power Cost Adjustment Clause) was implemented to recover the fluctuating cost of purchase power.

PCAC is directly tied to hydro generation in increasing or decreasing cost of purchase power that the system needs to offset generation.

*This rate will either be positive or negative to the base rate, depending on some key factors:
Hydro Generation
&
Wholesale Cost of Purchasing Power from the Transmission Grid.*

The PCAC will be adjusted monthly.

Multiple units served by one meter will pay the applicable meter charge multiplied by the number of units, plus the corresponding rate per KWH. Any Customer over 40kw will be a demand rate. All demand customers will have 15 minute interval data – WPPI meters.
