CITIZEN COMMENT None.

OLD BUSINESS Norway Area Master Plan Update – The NAPC briefly discussed options for the master plan update looking at a combination of CUPPAD and the MML as the most reasonable. We heard back from CUPPAD and they suggest waiting to get on the MEDC schedule so that we would get a 50% match. The CUPPAD representative also gave us a synopsis or quick evaluation of our current plan and doesn't think that it needs too much extra work for the revision. The board did agree that we should wait and work on some other minor areas within the RRC program in the meantime.

NEW BUSINESS Commercial Site Plan Review – ANR Pipeline Company.

APPROVE ANR PIPE-LINE COMPANY SITE PLAN A motion was made by Member M. Steeno, supported by Member G. Peterson and unanimously approved Commercial Site Plan for ANR Pipeline Company.

CITIZEN COMMENT Austin Kalcec – Requested the Norway Area Planning Commission to amend the written code to include US8 as the Highway Commercial Overlay District (HC-O) just like the zoning code map shows.
