Mayor Candy Brew Council Members: Bret Kraemer, Rico Meneghini, Jeff Muraro, & Scott Popp

During the course of the year, Norway area residents enjoy a number of activities and events starting with spring city wide garage sale to summer activities such as music in the park, city band, and 4th of July celebration. In the fall we have the Leif Erikson festival and are hearing of some potential additional new activities starting up in the near future. As a community we have been extremely blessed to have numerous individuals and groups step up and organize or champion these activities. Each one takes a lot of effort but the rewards are great. We all appreciate the efforts of these dedicated citizens as we enjoy the fruits of their labor. Unfortunately over the years, the time and efforts take a toll and we haven't seen enough new volunteers to help ease their burdens. We've seen or heard of a couple of our longstanding activities discontinue such as the spring easter egg hunt mainly due to lack of help. Just this past month we've also heard that both the 4th of July activities and the Leif Erikson Committee both are in desperate need of volunteers to help. If you'd like to get involved please contact the city hall so that we can connect you with members of these committees so that we don't lose any more of our cherished annual events. The people who have and continue to plan these activities are doing a great job but need our help. Please consider donating some time.

CITY ROAD PROJECTS

The City of Norway has one road project scheduled in 2021 scheduled to start on May 17th. The project is on 16th Avenue and CR 573 starting at 15th Avenue and heading east for approximately 0.61 miles. The project is a continuation of the resurfacing project completed last year on Main Street through 16th Avenue on top of the hill. The following year we will be completing the project on CR 573 to the city limits. Also in the following year we will be resurfacing Main Street from US 2 to Railroad Avenue as well as Kimberly Road from Stephenson Street to the city limits. These projects are grant funded through the Michigan Department of Transportation Federal Aid Highway Program and are scheduled according to their grant schedule.

MDOT ROAD PROJECTS

The Michigan Department of Transportation has schedule its summer project in Dickinson County and you can see by the cones that it's in Norway. The project starts at 5th Avenue in Vulcan and runs through the city all the way through and into Iron Mountain. The project is basically a resurfacing project. Any questions should be directed to the MDOT Crystal Falls TSC Office at (906) 875-6644.

Address _____

Physical Address

Credit is effective June 1, 2021 and goes thru August 31, 2021. This credit is based on your average consumption for the months of September thru May. Water charges will remain as charged on your city utility bill.

Cut out and return to City Hall.

NORWAY AREA COMPOST SITE

The Norway Area compost site is now open and available for both Norway City and Township residents **only!!!** The site is currently open on a 24/7 basis for the benefit and convenience of our residents provided the following rules are followed:

- Follow Signs and deposit in designated areas
- Grass Clippings and Leaves (NO BAGS!!)
- Brush must be under 2 inch diameter (NO Stumps)
- Residents only

Unapproved uses include the following:

- No Contractors (residential only- *this includes contractors hired by residents to remove trees and brush*).
- No Construction Material or household trash
- No brush over 2 inches in diameter, stumps, full trees, trash, and bags.

Compost site will remain open as long as we do not have any issues with illegal dumping. If illegal dumping occurs, we will close down 24/7 access.

As a reminder, there is NO curb side pick-up. Please do not place or cut your yard clippings into the street or place your yard clippings, brush, or rubbish on the boulevard, no one will be picking them up and doing so will constitute littering.
