OLD BUSINESS Project Updates:

Strawberry Lake Project – Project update

- Irrigation system and infield clay nearly complete. Rainy weather has delayed project.
- The electrical will be installed in the spring. The city is responsible for installing the electrical as in kind. Due to the scheduling issues with the electrical department this fall this work will be scheduled in the spring. The contractor cannot install the lake pump or controls until the electrical has been installed. Once installed the system will be charged and commissioned.
- Still targeting final completion of plans ready for bidding in January/February of 2019 and a spring 2019 start of construction.

Hanbury Lake Park – Discussed creating a project list and to pull the dock.

Mountain Bike Trails (single track) – Received update on the progress of phase 2 on the single track bike path at Marion Park. The bike path committee is working on permitting to get across the wet areas with boardwalk and also working with the city for materials.
